# EDITOR'S MESSAGE

This is the 1966 *Echo*. We, the editors are grateful for the honor of depicting the history of our final year at Canton High School.

We have tried to provide a book which will describe our great school to a stranger, and which will serve as a vivid reminder to the whole student body of the spirited life of The Class of 1966.

Respectfully

# FOREWORD

"An Echo sounds  
As of marching feet  
As of a mighty song  
Yet strangely sweet"

This year's Echo has been compiled with this description in mind. As you flip through its pages we hope you will recall the sound of marching feet; marching through the corridors, up classroom aisles, over football fields, or down a basketball court. We of the Yearbook staff sincerely hope that every memory which this Echo brings back will truly be,

"As of a mighty song  
Yet strangely sweet."

AS A SENSIBLE MAN

# DEDICATION

## AS AN INTELLIGENT TEACHER

The 1966 Echo is dedicated to Mr. Lombardi, as he himself, is dedicated to the students, through his teaching, coaching, and by his deep feeling of school spirit. He has an interest in each student, and is always there if a problem should arise. With all his activities, he even found time and patience to coach the girl's football teams. As a history teacher he had the ability to make this subject so interesting that each student couldn't help but learn. Mr. Lombardi is now a guidance counselor and, although he just started, he has proven himself to be indispensable. He has done so much for so many and is so well-liked that with respect and gratitude we dedicate the our yearbook to Aldo Lombardi.

## AS A PATIENT COACH

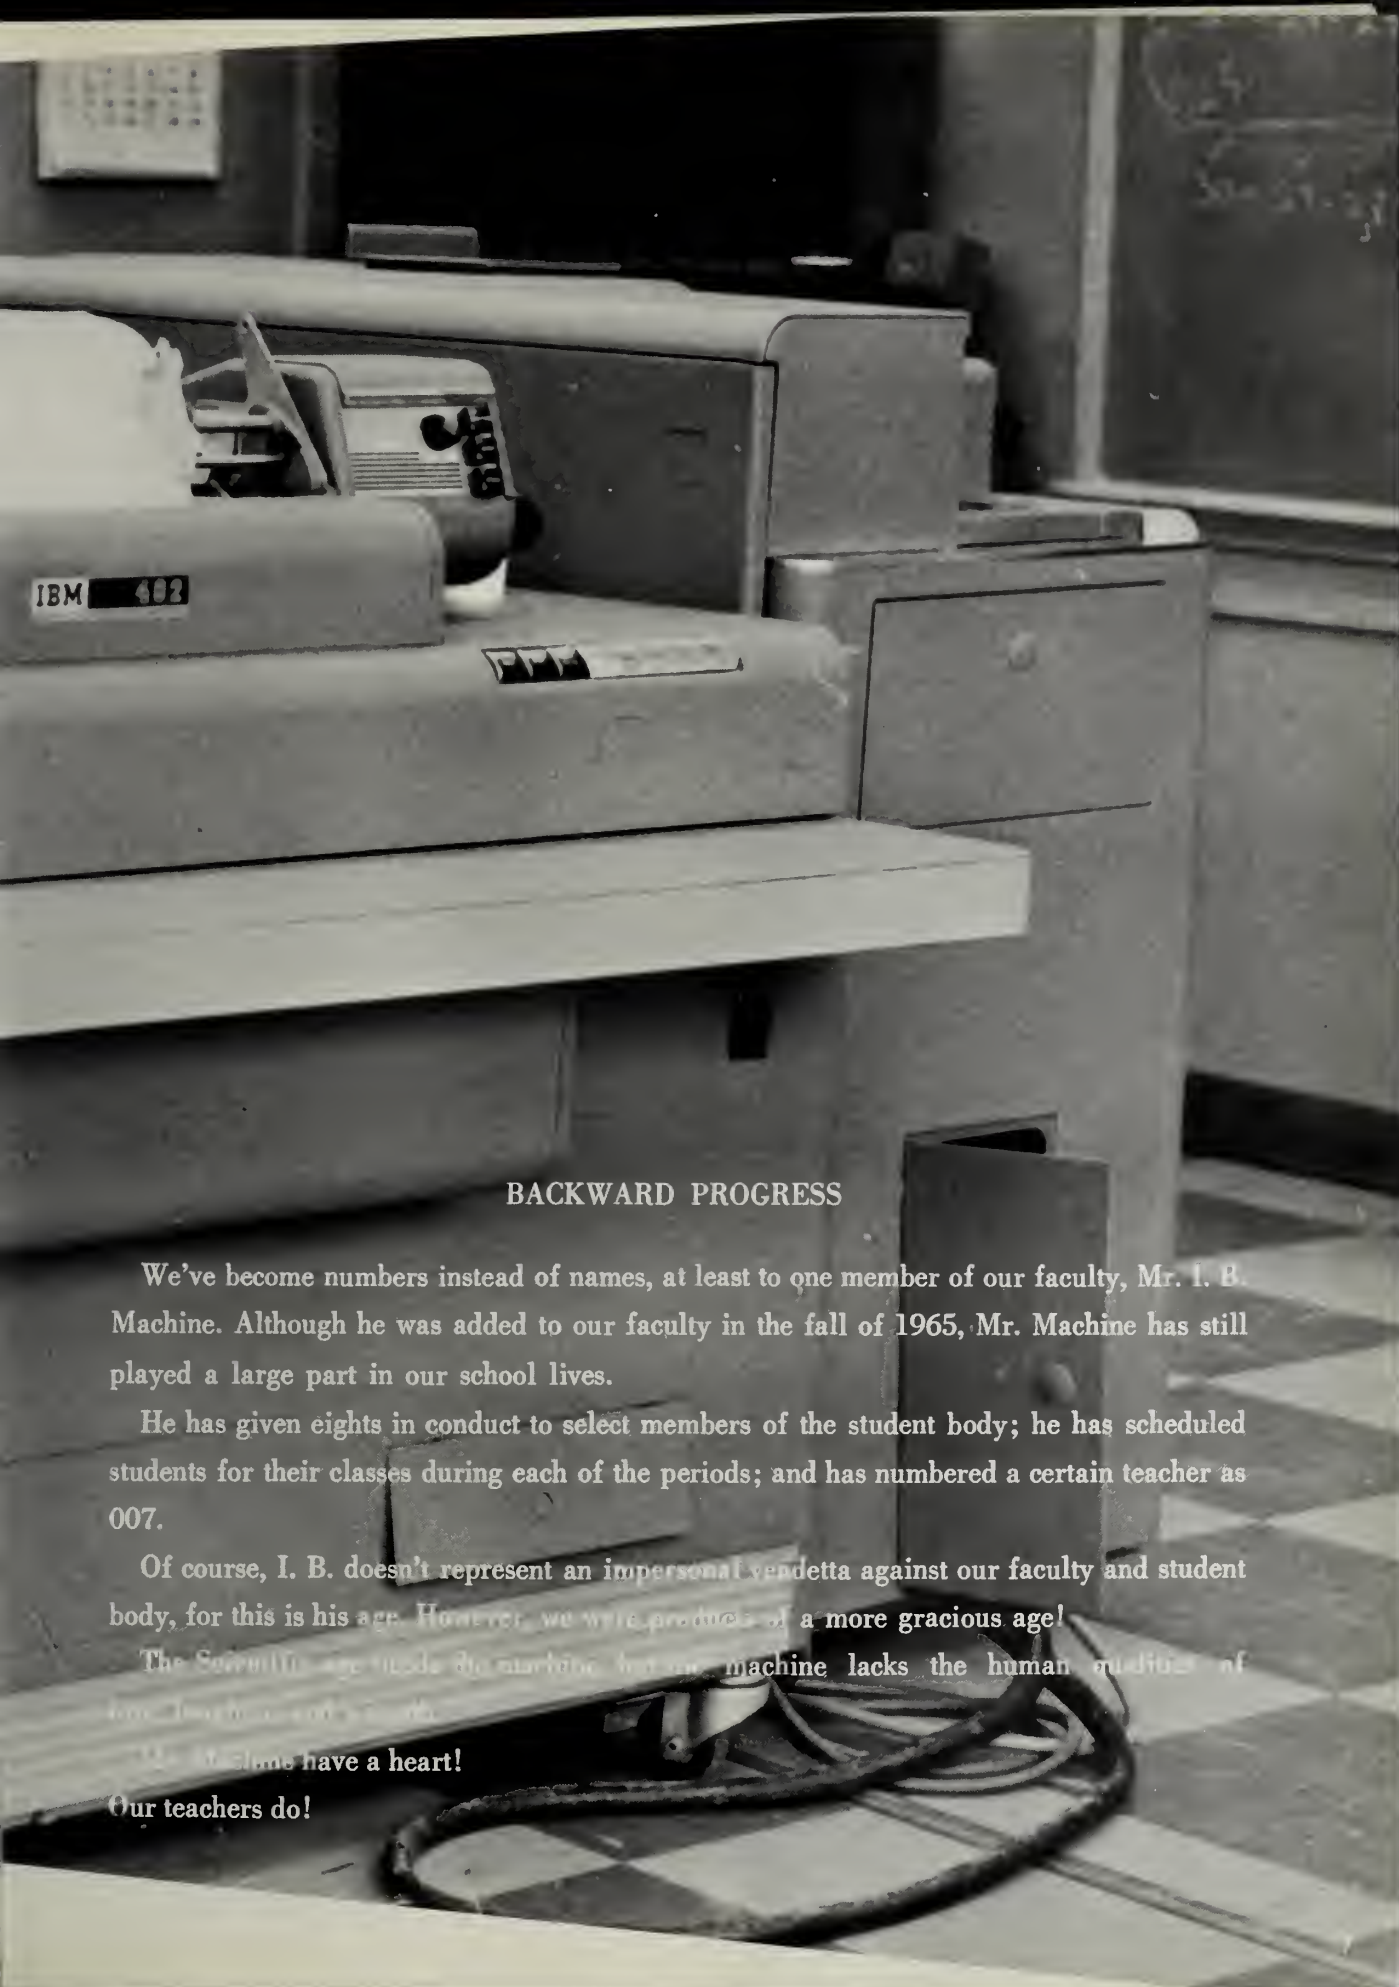

There are 55 teachers on  
our faculty. The ratio of  
teachers to students is  
one to sixteen point six.

We shall always remember how  
your guidance as teachers, pre-  
pared us for a brighter future.

# FACULTY AND ADMINISTRATION

### BACKWARD PROGRESS

We've become numbers instead of names, at least to one member of our faculty, Mr. I. B. Machine. Although he was added to our faculty in the fall of 1965, Mr. Machine has still played a large part in our school lives.

He has given eights in conduct to select members of the student body; he has scheduled students for their classes during each of the periods; and has numbered a certain teacher as 007.

Of course, I. B. doesn't represent an impersonal vendetta against our faculty and student body, for this is his age. However, we were products of a more gracious age!

The Severnites are made for machine, but our machine lacks the human qualities of our teachers and students.

Our machines have a heart!  
Our teachers do!

To the Class of 1966:

It is a pleasure for me on this occasion to wish each and every one of you good luck, good health, and happiness.

Try to remember that it is not so much what you get out of life as what you put into it that determines how large your share of happiness will be.

Remember, also, that the pursuit of taste, culture, and learning will yield much enjoyment in the years ahead.

Congratulations.

## *English Ball*

The class of 1966 presented their Junior Prom on the evening of May 21, 1965. The wonderful success of this enjoyable evening was due to the many hours of preparation by the Prom Committee, who are, from *Left to Right*: Linda Carrozza, Maryann Consalvo, Janice Larson, Nancy Milligan, Rosemarie Antonucci, Susan Soule, Maureen Dunn, Dale Alberry, Fred Bucklin, John Decembrele, and Steve Kelly.

## ECHOES: PAST AND PRESENT

While Echo satellites orbit the Earth, our thoughts orbit our minds and we set to the task of writing our class history. It's hard to describe the experiences of four years of our lives, yet there are some events which are unforgettable.

When we were Freshmen we were determined to make our four years the best ever. An undefeated Freshman football team gave us impetus and direction. It inspired our class spirit which has grown and matured throughout the years. We elected Paul Anagnoston as President, Charlie Clines as Vice President, Dotty McNeil as Secretary, and Susan Soule as Treasurer. The usual trip to Nantasket ended our first year at C.H.S.

During our Sophomore year we had the first of two bomb scares, which caused excitement since it resulted in the whole school being dismissed early. Our officers were elected, Frank Bender was President; Sharon Merlin, Vice President; Sue Gangemi, Secretary; and Phyllis Sweeney, Treasurer. This year was also ended by the Nantasket trip.

Mr. O'Donnell joined us in our Junior year as our new principal, bringing with him sincerity and a dedication to maintain the educational standards of Canton High. We elected Fred Bucklin as President, Steve Kelley as Vice President, Susan Soule as Secretary, and Janice Larson as Treasurer. The cafeteria was transformed into an English Ballroom for the Junior Prom, which was well attended. This was the social event that highlighted the year.

Then finally we were Seniors! Our officers were: President, Billy Zaniboni; Vice President, Bruce Fulton; Secretary, Kathy Cohen; and Treasurer, Phyllis Doe. For the first time all the class officers were inaugurated before the entire student body as part of the Student Council's plan for familiarizing the students with their officers. Under the direction of Mr. Morrison, our class presented its Senior Play, "A Visit to a Small Planet." Through the hard work of all involved, it was highly successful. Our Senior Prom was held April 20th at the Blue Hill Country Club.

Our determination to make these four years really *GRRREAT* was clearly shown by our attitude, especially during our Senior year. The Senior Class has set an example by the manifestation of its school and class spirit. Much enthusiasm has been shown by the Seniors in sports, at rallies, and in other school activities. It is hoped that this spirit reflected by the Seniors will be absorbed by the underclassmen and carried on after graduation. The innovation of the Senior football breakfast, the Senior girls' football game, and the spirited Chorus should become traditional at C.H.S. through the spirited efforts of this Senior Class.

Our graduation on June 9, 1966 ended four years of rewarding experiences that can never be forgotten. The members of this graduating class will separate but the spirit that has bound them together will always be a part of them.

## MEDICAL CENTER

### NEWS BRIEFS

Miss Virginia Tracy has sued the Janus & Janus Electric Co. for \$500,000 damages for a cut she received while trying to slice a turkey during the recent power failure. She summoned Dr. N. Bosanquet, but he never appeared, because the street lights were out, and he got lost. Messrs. Carl Miller, Gary Holmes, and George Nashawaty, the Janus' engineers, testified at the hearing, but Mark Gross won the case for Miss Tracy. He was aided by his secretaries, Kathleen Sullivan and Nancy Stone.

The first assembly of the year at C.H.S. will be on "Problems of the American Student." Phyllis Doe and Dan Dunn will be the guest speakers. The following Wednesday, there will be a special assembly honoring the well-known composer and conductor, Mr. Edwin Tree. For further information, contact either Mary Foley or Mary Ann Fama, the high school secretaries.

Miss Jayne Bulman of Mexico City has accidentally dyed her hair green with purple highlights. She has attempted to correct this condition, but none of the local hairdressers have been of assistance. She will now consult Miss Christine Merrick, for the touch of that talented blond.

*House Beautiful*, edited by artist Leslie Kenney, is publishing a special edition, "Homes of Businesswomen". The feature will describe the homes of local secretaries, Kathleen Doherty, Mary Crowley, Pauline Dennis, Linda Harris, Sue Farrell, and Maureen Eardly.

Miss Janet Donnelly and Miss Marilyn Gibson are starting a girls' football team. All those interested in joining, pick up forms from Maureen Sheridan at Neckes Hall.

Richard Abdoo, coach of the Boston Patriots, is visiting local colleges to look for draft choices. He and his assistant, Robert Soave, are interested in several players from this area.

## NEW TEACHERS

The Canton School committee welcomes the following new teachers:

Miss Shirley Schoener, a graduate of Boston State Teacher's College, class of 1970, will be teaching first grade at the John F. Kennedy School. She has had much experience work with young children and will surely be an asset to the teaching staff.

Miss Elizabeth Ronayne, who did her undergraduate work at Boston University and graduate work at Regis College, will teach math and English in the Junior High School.

Miss Diane Henderson will also teach at the Junior High. She is a graduate of Bridgewater State Teacher's College and has done graduate work in Europe. She will be in the history department.

Miss Paula Galvin will teach biology in the High School. She graduated summa cum laude from Stonehill College. Miss Galvin is presently doing graduate work at Regis College.

Mr. Robert Taber will teach in the Industrial Arts Department of the High School. He is a graduate of the University of Massachusetts.

Messrs Robert Martin

and Gordon Barnsley, both graduates of the Boston Business School, will teach J.B.T. and Sales Law. Both men are well qualified in the field of business and will certainly help the high school students prepare for the business world.

Miss Cheryl Terenzi will start a new course in the high school, Journalism. She is a graduate of Boston State and has worked as a correspondent for *Life* magazine. Students at Canton High School should be interested in this course.

Two Canton High teachers will assume new positions this fall as the heads of their respective departments. Mr. Gerald Burnham, referred to by his students as "Mr. Poznysz II," will be the new head of the Science Department. Mr. Stephen Raphael will take on the responsibility of the Math Department. He is most qualified for this position and has already been making arrangements for the Math Team, which, of course, will be as successful as it has been in the past years.

## PEACE CORPS

Much work has been done by our volunteer Peace Corps workers across the world. Miss Marilyn Ryley formerly of Wildewood Drive, Canton, has successfully won the warm friendship of the Pigmy and Watusi Tribes of South Africa by teaching them the latest a-go-go dances. The tribes have these dances so well mastered that they will be appearing on the Gary Lewis Show this Sunday night at 8:00 p.m. EST.

Miss Bronna Zlochiver, on the North Pole, reports that she has introduced electric heating to the Eskimos for their igloos.

The Eskimos were so pleased that they have sent to the U. S. Corps

station 330 lbs. of whale blubber for hurricane lamps. We thank the Eskimos for their cherished gift!

Paul O'Neil is now in South America giving medical aide to the less fortunate.

While on a Peace Corps mission, Hank Larson has organized the first Antarctic Cross Country Team. He hopes to enter them in the Olympics.

Miss Barbara Mangan has been a great success in the Soviet Union where she is teaching math and English to the Russians. She has been particularly making sure that all the little "Johns" know their numbers.

## FLYING LOW

It has been known that an unidentified object has been flying around the Logan Airport district. The object, flying at speeds approaching the speed of light, was last reported doing loops and dives close to the earth's surface. Pilots Fred Bucklin and Sue DeFelice were assigned the task of identifying the U.F.O. They finally caught the object in a large fisherman's net, loaned to the airport by Aldrich & Son Hardware Co. The ace pilots were surprised to learn that their otherwise reliable commander, Captain Norman LaForest was flying the U.F.O., his latest invention.

Last evening at Briar Manor, Sir David Webster held a costume party.

Among the honored guests were Miss Carol Nichols, who won first prize for her portrayal of a very mean bulldog; the well-known artist, Linda Lewis, in her famous impersonation of a South Station scrubwoman; Mr. Francis Donan, who was dressed as a big, fat, orange carrot—a shock to all; Miss Eileen Conopka and her escort Mr. Thomas Hannon, who were dressed as the famous comic characters, "Mutt and Jeff;" and Miss Alison Herbert and Miss Jean McWilliams who wore the Surfer and Hula girl outfits which they purchased on their trip to Hawaii last winter. All in all, it was a very enjoyable evening.

Miss Mary Sullivan is opening her summer home in Hyannis, which has just been remodeled by Marshall Tack and Sons, Inc. She has an over-abundance of young M.D.C. life guards to protect her and all her swimmers on her beaches.

## LIFE AMONG the STARS

Miss Ann Bromberg, the first woman astronaut of the United States is now the first woman to land on the moon. Chief NASA engineer, Robert Gustafson, announced that the new Batman booster will make many more flights possible in the near future. Those already scheduled for flights are: Mr. Charles Clines, who wants freedom from behind the bamboo slots; Mr. William Zanioboni, president of the Senior Astronauts of America Club; and Miss Rose Antonoucci and Miss Lynda Carrozza, who will organize the first lunar chapter of the "Daughters of Italy". Anyone interested in making reservations for future flights contact either Vivian Armando, Janet Bonito, or Doris Lyons.

## PONKAPOAG CIVIC

The Ponkapoag Civic Club is having a program on August 14 for all those interested in building a marina for the youngsters. Guests from the Cape Cod Marina will be present. Mr. Wayne Johnson, well-known oceanographer, will show a film, "Strange Creatures from the Sea." Marine biologists will discuss the anatomy and economic importance of marine life. All those planning to attend are asked to contact Richard Danner, president of the Civic Club. All donations will go to the building fund; treasurer Judith Schneider will be present to collect dues and donations.

Recently returning from an extensive tour of Europe are Miss Susan Packard, Miss Elaine Tolias, Miss Pat Ramsey, and Miss Cheryl Bonnano. While in England they viewed the latest collections of fashions from the House of McKenna. After purchasing a few designs, they had tea at the U.S. Embassy, with Mr. Paul Anagnoston and Mr. Mark Hannington, who are representing our country there.

Accompanying the ladies home was Miss Maureen Galvin, who is studying the latest fashionable hair styling in France with Marianne Consalvo.

## TOWN CLERKS MEET TOMORROW

A two-day meeting of the Massachusetts Town Clerks' Association, Inc. will be held at the Sheraton-Boston Hotel beginning tomorrow.

On Thursday, at 10 a.m., a report of the legislative committee, under the direction of Mr. Richard Mitchell, will be given in the Hampton Room. Mr. James Gillis of Canton, Mass. is president of the Association.

## POLICE NOTES

Police Chief John Jorgenson reports that the following case is to be heard next month in Dedham District Court. On May 12, 1976, State Police Captain Joseph Leonard arrived on the scene in time to arrest William Mulligan for buying habit-forming soda pop for minors. When brought into the station, Mulligan was thoroughly examined by Miss Catherine Meadow, head psychologist assigned to rare cases.

Defending Mr. Mulligan in court will be Mr. Donald Vincola, the famous criminal lawyer. On behalf of the county is Mr. Allen Powell. The presiding judge will be His Honor, William Billikas. This trial will be opened to the general public.

## NEW OFFICERS ELECTED

## STOP THE DAMAGE DOERS

The group of men, (and I use the term loosely) "Heaven's Devil's" was last reported spraying shaving cream and other men's toiletries on streets, parked cars, telephone poles, and houses in the Algonquin Estates early each morning. The report was made by Wall Street executive, Mr. Robert Rawding. His call to the Police Dept. was very helpful in capturing a few of these creatures. Leader of "Heaven's Devils" Captain Gene O'Brien on his hot Harley Honda, Dandy Dave Kel-

son, the ladies' man of the group, on his great big pink Honda 50, John O'Loughlin, on his three-wheeled, purple and orange tri-cycle, Sir Paul Weiderhold, and David Sloan on skate boards were the only five flighty florid fools captured.

Something must be done to stop them. Mr. Ronald Selby is gathering aid to participate in their "MARCH AGAINST THE DEAR DEVILS OF HEAVEN." Anyone wishing to participate please call 828-007 for information.

## HIGH SPEED TRAIN RUN

The target date set for starting the New York Railroad's 200-mile-an-hour train service between New York and Boston is July 1 according to railroad officials, John Blondell and Don Miner.

The Railroad plans to spend approximately \$17 million over the next two years to condition the line for high speed operation. The plan, conceived by Richard Thompson and Arnold Eardly, will be financed by Mr. Vincent Healey, the Wall Street tycoon.

Mr. Robert Beck will keep this paper posted on the Railroad's future plans.

## ART

The Canton Art Association is having a lecture and tour on June 25 for the members and friends of the "Fun with Finger-Paints Club." Please notify Miss Whalen's personal Secretary, Miss Joanne Olson for reservations.

Appearing on "Girl Talk" Friday morning, August 30, with hostess Phyllis Sweeney is that celebrated orator, Brian Matta. The topic of the discussion will be "Life on Small Planets".

## FASHION

Mr. James Walsh and Miss Beverly Skotnicki have been elected the leaders of the fashion world in men's and women's clothing. Miss Skotnicki's taste is unusual, but her outstanding ability to "mix and match" her wardrobe, contradicts the female trait of conformity. Mr. Walsh, although thought by many to be color blind, has successfully persuaded the male population of the world to follow his tastes.

## HERALDRY

Mr. Mark McEnany is now operating the new Academy of Heraldry, along with his other businesses. He has just purchased the Town & Country Night Club, 333 Washington St., Canton, but he still confesses to be having trouble getting into the C.M. Ballroom Dances.

## FAREWELL

Senior Class of 1966,

You are one of the finest graduating classes in the history of Canton High School. Your spirit and participation in school has been unsurpassed for many years. This has been illustrated by your tremendous backing at rallies and athletic activities such as football, basketball, and hockey games.

Your class has worked very hard together as a whole. An example of this would be the breakfast you held before one of the football games. I am sure it was enjoyed by everyone. This unity among many other things has added to your great spirit and success as a Senior Class.

The attitude of the members of your class is an excellent reflection of the faculty. The teachers' guidance and supervision will help prepare you for the world into maturity thrusts you.

You deserve the admiration of the community as you will be a great asset to tomorrow's immediate demands. You may be offered a chance to play a vital role in tomorrow's world of uncertain future.

Throughout my three years at Canton High School, I have watched other classes work together to strive for success, but I have yet to see the class that will surpass the spirit, ambition, and inquisitiveness of your class of 1966.

I only hope that your class will set an example for future senior classes to follow.

## FAREWELL

The senior class is the nucleus of the student body. From it are drawn the officers to students who work hardest to make Canton's many social service activities as successful as possible. Because of your high ideals, high standards, and an enthusiastic attitude, we, the class of 1963, look to you for leadership. You are well qualified for the activities that you have undertaken. This is shown in many ways—scholarships, athletics, and sportsmanship. Your spirit will surely be rewarded by many admirable experiences and productive enterprises.

## FAREWELL

Good-bye Seniors. You have pushed us Freshmen around long enough! It's time for you to leave Canton High.

From down here, as Freshmen, we think you up there, as Seniors, have been a great class. We just hope that when we become Seniors that we can equal your class. This year the Seniors led the school in

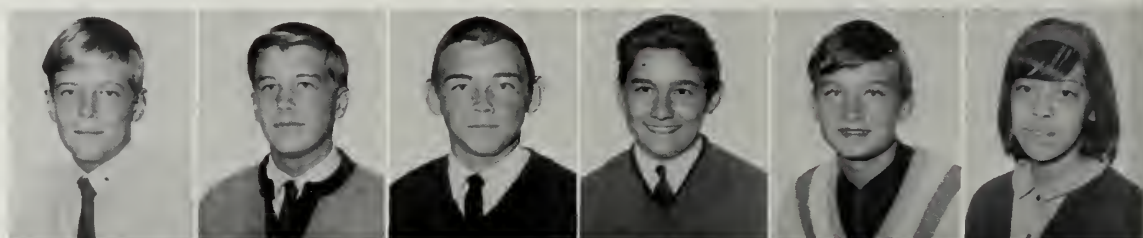

everything; marks, athletics, and spirit.

The freshman class would like to congratulate all the Seniors on graduating. When you graduate, some of you will go on to further education and some of you will find jobs, but whatever you do, the freshman class wishes all of you the best of luck.

## ACTIVITIES

# STUDENT COUNCIL

*Standing:* Treasurer, Bruce Allen, President, Noel Bosenquet. *Seated:* Vice-President, Charlotte Richards, Secretary, Jill Daily

This year, the Student Council's aim was to promote school spirit. Last fall, under the direction of our new advisor, Mr. Paul Callanan, we began by holding two dances for the students in the cafeteria. Many firsts were accomplished by this year's Council, these included: an Induction Ceremony for the class officers, CHS Baracuder Jackets were made available to the student body, the *Student Council Newsletter*, and the printing of the programs for the football games. Assistance was given to many organizations this past year. The Student Council sold refreshments and ushered at the Schollar Dollar Concert, issued a loan to the National Honor Society for the purchase of Christmas Trees, and helped needy families at Christmas Time. The high point of the year was the concert in February. A full house of students and faculty thoroughly enjoyed the performance by the "Kingsmen" and the "Tallysmen" bands. Since the actions of the students present at the concert were very commendable, events of this type will probably become an annual event in the school in future years.

#### BULLDOG SPIRIT . . .

Across the gridiron, the court, the diamond,  
 It welds players and Bulldogs fans into a force.  
 It makes its stand at the goal line;  
 It is the tenacity that fights against odds;  
 The humility that crowns a victory.  
 It gives heart to the cheerleaders  
 To urge the team on;  
 It lingers after the last play;  
 A part of past and future.

We have an extensive Athletic program consisting of football, field hockey, boys and girls basketball, Ice hockey, indoor and outdoor track, Boys and Girls tennis, Golf, Cross Country, Baseball, softball.

This year's 1965 football season was Canton High School's most successful season in five years. The Bulldogs' record was four wins, four losses, and one tie. This record though, is deceptive; with a few breaks the team may have won three more games. These were lost by a total of five points.

The sole stale-mate with Stoughton was a very hard fought game as were all the others; but this was *the* game and the boys were really up for it. It looked as if Canton had a victory when they led at the half by a score of 16-0. However, Stoughton scored twice in the second half and was able to thwart a late Canton drive.

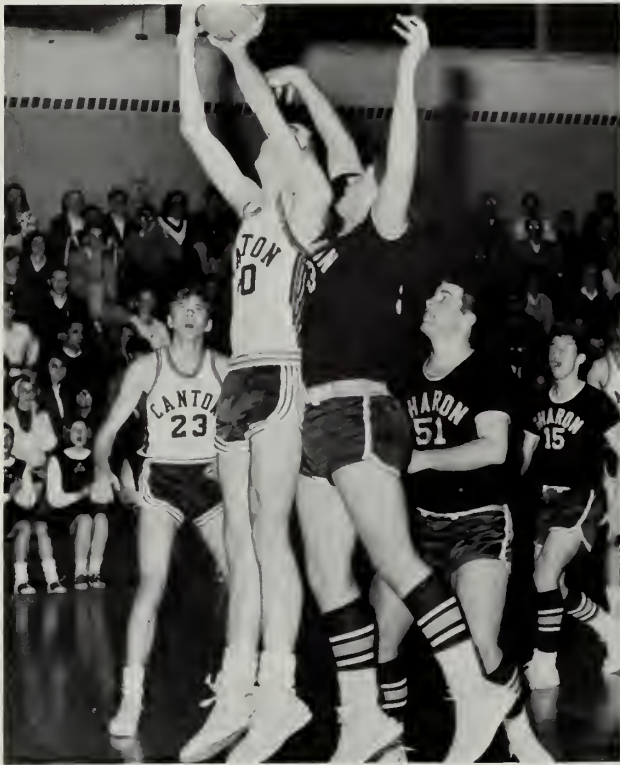

Canton fared well in non-league competition with a 2-1-1 record; while they were 2-3 in the Hockomock League.

## GIRLS BASKETBALL

This year's girls' basketball team recorded one of its finest years. The girls, with the able coaching of Miss Hayes, finished the year with a 8-2 record. They displayed great effort and spirit which helped to bring the season to a successful finish in second place in the Hockomock League. The girls put up a valiant fight against Oliver Ames but finally lost by 2 points. The J.V.'s finished a fine year coached by Mrs. Alford. Their record was a 6-4.

For the first time, the Senior girls organized their own football teams, the Pow-da-Puffs and the Petti-Pants, and then went on to play a rough game of tackle football for their sole encounter of the season. Under the expert tutelage of Coach Lombardi, the girls learned to block, tackle, throw, and how to run several intricate play patterns. The girls' adeptness at their new sport was demonstrated in the tough game they played with no holds barred. Few penalties were called as the girls stayed within the limits of the NCAA rules. The lead seesawed throughout the contest with scintillating runs by Pam Plante and Jane Grant bringing the ample crowd to its feet. The tackling was a thing to behold and a look of envy was noted on the face of the boys' coach, Mr. Higgins. The Pow-da-Puffs emerged the 12-8 victors with the future Petti-Pants vowing revenge next year.

Where have all the seniors gone? Long time pass-ing.

Where have all the seniors go-ne? Since yesterday.  
Where have all these young minds go-ne? Since that  
sad day.  
What have all these seniors do-ne? In the past 4  
years.

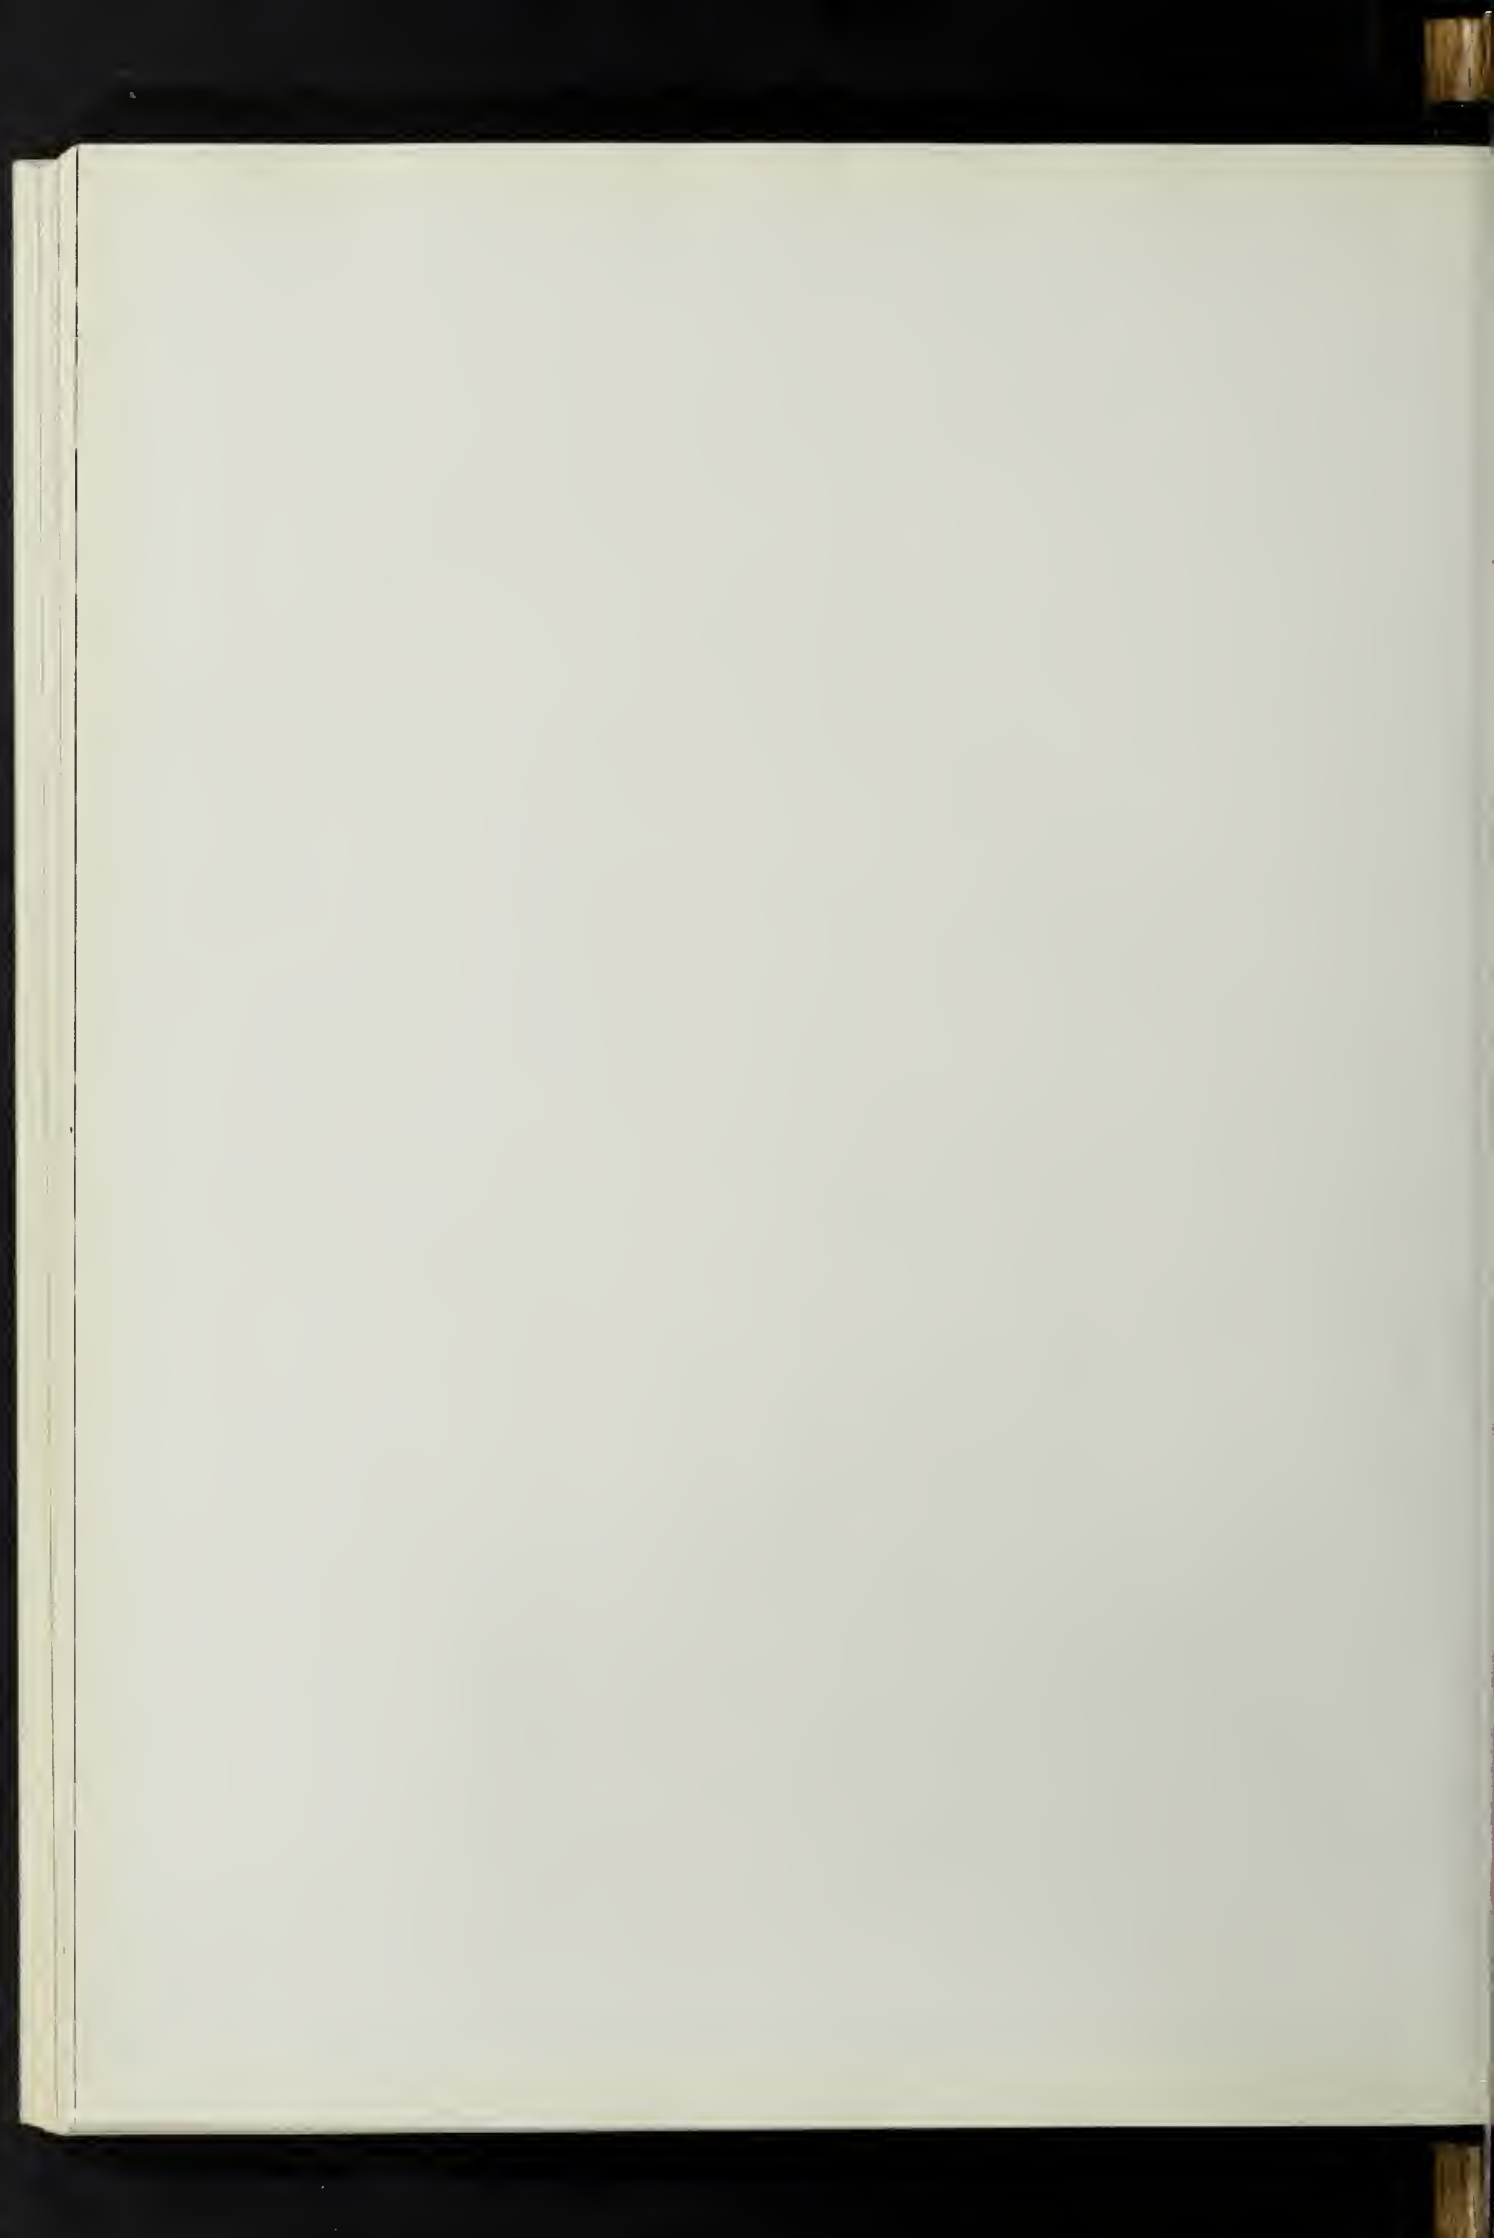

Where have all the seniors gone? Marching forward  
everyone.  
They have gone to broaden their minds. Each in his  
own way.  
Started new tradi-tions. And strengthened school  
spirit.

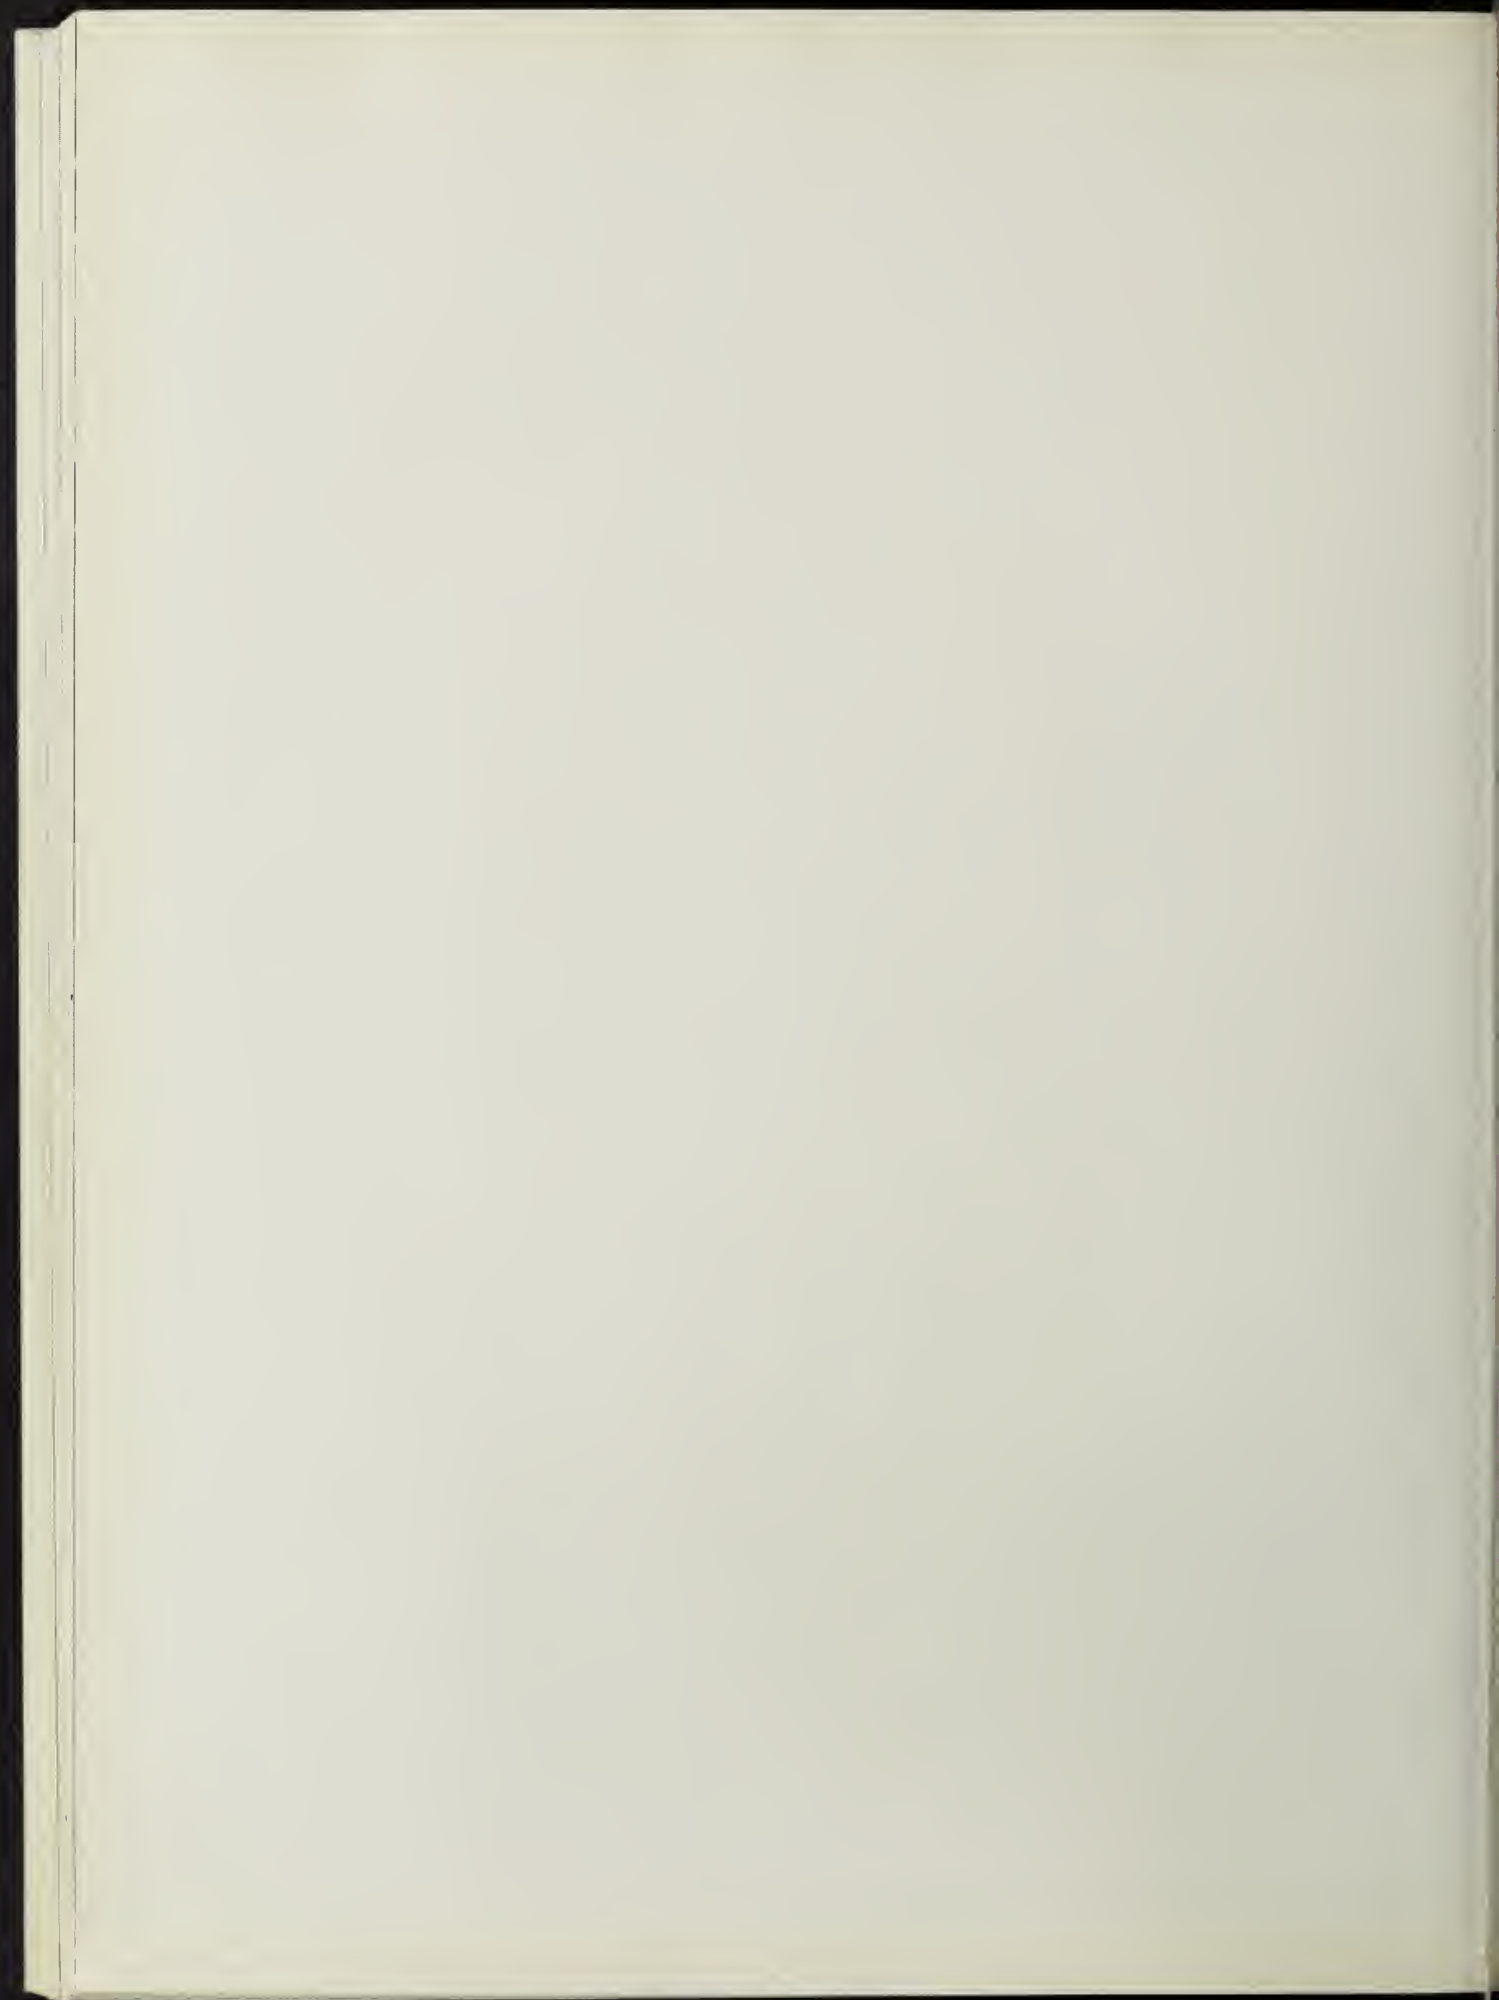

Into a new still bigger world, and in-de-pend-ent-ly.  
This is when they'll learn to be, good upstanding  
ci-tizens.  
So those who fol-low, may retrace their fo-otsteps.
